Dear Posey:

I just received a letter from Harden, and he has nothing for us but April 29th in Atlanta. As a result I would like you to see what you can do for the dates between the 22nd in Knoxville and the 29th in Atlanta.

I hate to come way back to Richmond after the 22nd, but it would cost too much to stay on the road the week.

Do you think you can arrange anything. Harden asked me to try and get Hayes to let us play in Birmingham, but I would not want two outside teams playing in Newark, and I imagine all the teams with home spots feel the same way.

Is there any chance to get Greenville and Charlotte after the 29th coming back east?

As I told you before, all we have booked to date is April 15th in Roanoke with you, the 22nd in Knoxville, and the 29th in Atlanta. Will be looking to hear from you.

Very Truly Yours
